- **Additional paint colors if your budget allows:**
  - Cadmium orange
  - Raw umber
  - Cerulean blue
  - Sap green
  - Dioxazine violet

**Mediums:**

- Golden Acrylic Retarder (Small bottle – slows drying for blending)
- Gloss Medium (Golden Gloss Medium is a general-purpose liquid polymer for creating thin, fast-drying glazes, extending colors, enhancing gloss, and increasing film integrity)
- Matte Medium (Use Golden Matte Mediums to extend acrylic paints while promoting even flow and leveling and maintaining the film's stability. These 100% acrylic polymer liquid mediums also decrease gloss and increase translucency.)

**Cans and containers:**

- 2 large, recycled yogurt containers (one for water & one for brushes)
- 2 cleaned tuna cans or double steel palette cup (for medium)

**Palette:**

- Masterson Super Pro Palette with sponge
- Extra palette paper
- Small spray bottle for water

**To protect yourself from the paint:**

- Art smock
- Old rags
